Professional Summary

Recent Electronics and Communication Engineering graduate with strong knowledge of Core Java, MySQL, and Python fundamentals. Passionate about software development and problem solving with hands-on experience in Java desktop application development and deep learning projects. Quick learner with excellent analytical, communication, and teamwork skills, seeking an entry-level Software Developer or Software Engineer position.

Education

B.Tech in Electronics and Communication Engineering Aug 2023 – Apr 2026
Annamacharya Institute of Technology and Sciences, Rajampet
CGPA: 7.89

Diploma in Electronics and Communication Engineering Jun 2020 – Jun 2023
Loyola Polytechnic College, Pulivendula
CGPA: 7.91

Secondary School Education Jun 2019 – Apr 2020
Sri Sai High School, Mydukur
CGPA: 10.0

Technical Skills

- Programming Languages: Python ,Core Java,
- Database: MySQL (DDL, DML, CRUD Operations, Constraints)
- Concepts: Object-Oriented Programming (OOP), Arrays, Strings, Loops
- Libraries/Tools: TensorFlow, Keras, OpenCV, JavaFX, JDBC
- Soft Skills: Communication, Teamwork, Critical Thinking, Problem Solving

Projects

Multi-Modal Deep Learning Approach for Pneumonia Detection and Classification

Technologies: Python, TensorFlow, Keras, OpenCV

- Developed a preprocessing pipeline for chest X-ray and CT scan datasets.
- Designed and implemented a Convolutional Neural Network (CNN) for pneumonia classification.
- Achieved 95% classification accuracy for viral, bacterial, and normal cases.
- Applied Grad-CAM visualization to improve model interpretability.

Student Management System (GUI Desktop Application)

Technologies: Java, JavaFX, MySQL, JDBC

- Developed a modular JavaFX desktop application for student record management.
- Implemented CRUD operations using JDBC and MySQL.
- Applied Object-Oriented Programming principles for scalable software design.
- Added input validation and exception handling for improved reliability.

Certifications

- Python for Data Science – IBM
- Introduction to Data Science – IBM
- Google Cloud Computing – Google
